Dear Fellow Railfan,

As any seasoned modeler will attest, selecting historic locomotives and colorful rolling stock is but the first step in building your own unique layout. While the train is the highlight of any showcase, it’s the authentic-style structures that bring the best layouts to life! As such, Historic Rail & Roads is proud to offer an assortment of trackside buildings that perfectly accent your collection!

Pages 41 through 43 feature a diverse array of structures – in a variety of scales – that are sure to make nice additions to your diorama! And, as with our train merchandise, we also gladly provide figures and other accessories to go with your new automotive collectibles (page 58). This inaugural 2017 catalog also includes a wide selection of metal and wood signs throughout the catalog, including our fun nostalgic collection on page 59.

So, pick your favorites and call us toll free at 800-261-5922, visit HistoricRail.com, or mail in the order form provided.

Thanks for Shopping!

– Greg Herrick

On the Cover: Vintage Soo
Larry Fisher.
First seen on American rails in 1886, the 4-6-2 steam engine (known as the “Pacific”) was a North American Class I staple for decades. A snow-covered prairie offers the backdrop for this nostalgic print capturing the prolific engine operating with Soo Line – which discontinued passenger service after the 1961 CP merger that officialized its name – and leading a three-car “milk run.”

About Our Models...

Unless otherwise noted, all of the HO scale locomotive models in this catalog feature a finely molded body, glazed windows, a powerful motor, a die cast chassis, RP25 metal wheels, magnetically operated knuckle couplers, and arrive ready to run. Typically, most N scale rolling stock models come with plastic wheels. A final reminder: products in this catalog are not toys; they are intended for modelers and railfans ages 14 and above.

If, in the catalog, you see one of these badges, it means that the locomotive has built-in DCC or DCC & sound! Unless otherwise noted, if a product is “DCC-equipped,” it works on standard DC or DCC systems.

Bachmann

DCC – Equipped for speed, direction, and lighting.
DCC Sound Value – Equipped for speed, direction, lighting, and 6 standard sounds.
DCC & Sound – (Bachmann Spectrum) – Equipped for speed, direction, lighting, and sounds, including engine startup and shutdown, bell, air horn, coupler crash, dynamic brakes and brake squeal, radiator fans, and more.

Athenw Genesis

DCC – Equipped for speed, direction, and lighting.
DCC & Sound – Equipped for speed, direction, lighting, and 19 sounds such as horn, bell, coupler crash, dynamic brakes and brake squeal, and air release.

Broadway Limited Paragon

DCC & Sound – Equipped for speed, direction, and lighting, and features built-in controllable sounds such as engine chuff, whistles, bell, reverse mechanism shift and creak, passenger station, freight yard, lumber yard, farm, maintenance yard, and others; recordable DCC operation for automated playback; and synchronized puffing smoke (steam locomotives).

Other Brands

DCC & Sound – Equipped for speed, direction, lighting, and sounds, including horn, bell, coupler crash, dynamic brakes and brake squeal, air release, and many others.

SAVE OVER 70%
40' Animated Stock Cars

A nice addition to your rural layout, these HO scale models replicate 40' animated stock cars complete with cows already inside! They also feature realistic see-through grating, a sliding side door, and authentic company markings. 5½" long. $34.95 each.

One of ten S3 class Northern's built during World War II, the #261 hauled heavy freight trains for the Milwaukee Road from 1944 through its 1954 retirement.

A newly tooled replica of the legendary engine – which returned to excursion service in 1993 – this HO scale model comes with its own subwoofer (perfectly synchronized to the locomotive's movement, and able to detect distance and amplify low frequency sound). It is also DCC & Sound-equipped and features Rolling Thunder audio, synchronized puffing smoke (variable in intensity and timing), an accompanying rear tender, factory-installed figures, and operational lighting. 16½" long with tender. $549.

This program offers behind-the-scenes access to exciting train action in Chicago: America's busiest rail hub. Historical background and compelling interviews help tell the story of the bustling Midwestern hotspot, while viewers will also enjoy contemporary footage of passenger and freight trains, commuter lines, and modernization projects. 1 hour. $22.95.

Grivno. With a focus on HO and N scales, this reference guide teaches beginners not only the basics on selecting engines and rolling stock, but also how to maintain them. Learn the fundamentals of keeping your models in pristine working condition while also getting insight on simple wheel and coupler upgrades. 96 pages, 225 color photos, 8¼"x 10¾", softcover. $21.95.
### HO Scale Rolling Stock

#### 40' Double Door Boxcars

Originally intended to haul automobiles, the double-door boxcars of the early 20th century saw new life as lumber units in the 1950s-1970s. Replicating 40' boxcars in service with a host of recognizable railroads, these HO scale models feature textured side doors and a realistic roof walk. 5½" long. **$27.95 each**

### AMD-103 Diesel Locomotives

The AMD-103 is the first release in the Genesis series – a lineup of passenger engines designed in the early '90s – and is named for its 103mph top speed. Replicas of both the P40 and its faster successor, the P42, these HO scale models feature Amtrak (or ex-Amtrak) paint schemes, a snowplow, a bolted-on nose body variation, see-through cab windows, bidirectional constant lighting, and separately applied parts. 9½" long.

$129 each

### SD38 Diesel Locomotives

Also popular in South America, the SD38 was a six-axle diesel engine manufactured by EMD from 1967-71 – of which less than 60 were built for U.S. rails. Available with or without DCC & Sound, these HO scale models feature bidirectional constant lighting, a low-nose design, see-through cab windows (that slide open), an air filter grille, separately applied wire grab irons, non-turbo exhaust stacks, and chicken wire radiator grilles. 8½" long.

With DCC & Sound: $184 each
Without DCC & Sound: $134 each

### GP7 Diesel Locomotives

EMD's first road engine to use a hood-unit style instead of the old car-body design, the GP7 diesel was produced from 1949-54. These HO scale models replicate the mid-century locomotive – including the "B" variant, unequipped with a control cab – featuring your choice of DCC & Sound or not, a coupler cut lever, stub-style walkway tread, wire grab irons, see-through cab windows, and bidirectional constant lighting (with incandescent bulbs). 7¾" long.

With DCC & Sound: $289 each
Without DCC & Sound: $189 each

Save up to $140 on a Bachmann Train Set!

Premium additions to your layout, this colorfully diverse collection of HO and N scale Bachmann train sets salutes railroad technology dating back to early-century steam. And, in addition to their quality features—including a locomotive with a working headlight, a selection of realistic rolling stock, E-Z track, a power pack and speed controller, and illustrated instructions—each one is available at a fraction of their original price, with savings of up to $140!

**Overland Limited**

The biggest and the best! From the powerful locomotive through the impressive consist of nine cars, this HO scale set has it all! You get a Union Pacific Overland 4-8-4 steam locomotive (with a smoke unit), a "centipede-style" oil tender, a grain car, a 3-dome tank car, a flatcar with logs, a center flow hopper, an open quad hopper, two plug door boxcars, a wood stock car, a wide vision caboose, and a 65"x38" oval of track. Full train is 70½" long. $239

**Echo Valley Express**

This HO scale train set comes with a 2-6-0 steam locomotive—complete with realistic sounds such as steam chuffs, a whistle, and bell—a coal tender, a gondola, a quad hopper, an off-center caboose, and a 56"x38" oval of track. Full train is 26¼" long. $199

**Chattanooga Freight**

This complete 155-piece HO scale set will have you up and running a Nashville, Chattanooga & St. Louis Railroad freight train in no time! You get a beautifully detailed 0-6-0 steam locomotive (with a smoke unit), a tender (with a simulated coal load), a plug-door boxcar, a single-dome tank car, an off-center cupola caboose, a realistic suburban station, a signal bridge, 48 railroad and street signs, 36 telephone poles, 48 assorted figures, and a 47"x38" oval of track. Full train is 32" long. $139

**Pacific Flyer**

This complete HO scale train set is a must-own for Union Pacific freight train fans! You get a 0-6-0 steam locomotive, a slope tender, a gondola, a boxcar, a cupola caboose, and a 36" circle of track. Full train is 25" long. $99

**N Scale**

**Empire Builder**

This N scale train set includes a Santa Fe 4-8-4 steam locomotive, a tender, eight freight cars (including a reefer, boxcar, tank car, covered hopper, gondola, stock car, quad hopper, and caboose), 12 telephone poles, 24 street signs, and a 44"x24" oval of track. Full train is 34½" long. $189

**Yard Boss**

This N scale set requires very little space yet provides hours of fun! It features an Atchison, Topeka & Santa Fe 0-6-0 steam locomotive, a tender (with a simulated coal load), a boxcar, a quad hopper, a Santa Fe wide-vision caboose, and a 24" circle of track. Full train is 17" long. $109

The Complete Book of North American Railroading
A lavishly illustrated timeline, this book tracks the entire progression of railroads in America from their tentative early 19th century designs to today’s modern diesels. In addition to examining nearly every element of train technology – including infrastructure, passenger lines, freight haulers, and more – readers will also appreciate the tributes to citizens who made it all possible. 352 pages, 418 color and B&W photos, 9½”x11½”, hardcover. #401466 $24.95

Guide to North American Steam Locomotives
Drury. A must-own for railfans and train modelers alike, this newly revamped guide includes details on every steam locomotive built in the United States and Canada since 1900. It features more than 400 exciting photos and painstakingly researched rosters of all North American railroads. 320 pages, 420 color photos, 8½”x10¼”, softcover. #400353 $24.95

Great Railway Journeys of the World
Holland. A pictorial journey examining the world’s most scenic railways, this guidebook travels to 35 different nations and offers both images and insight on 50 awe-inspiring routes. History, geography, and present-day operations create a complete portrait of tracks from North America to China – including the Trans-Australian Railways, the Qinghai-Tibet, and the Cape Town to Kimberly route in South Africa. 288 pages, illustrated, 8½”x11”, hardcover. #400682 $49.95

Inventing the Pinkertons
O’Hara. From the end of the Civil War through nearly the outbreak of World War II, the Pinkerton Detective Agency was consistently at the center of national conflict – including being the enforcing face of capital against the growing power of labor. Learn the history of the infamous organization which inspired sensationalist novels and embodied the changing face of Wild West justice. 216 pages, 12 halftones, 6”x9”, hardcover. #402283 $29.95

Cab Rides
These programs feature some of the greatest cab footage from around the world including steam, diesel, and electric. 101 Cab Rides
Includes rides along E-units, F-units, Alcos, GE’s, GG-1s, Little Joe, Shay, Berkshire, and X2000 engines. 4 hrs. 20 min. #RV7279 $34.95

50 More Cab Rides – Learn how to perform a runpast aboard Milwaukee #261 and reach speeds up to 267mph on the exotic MAGLEV! 2 hrs. 20 min. #RV7283 $24.95

All Aboard
Each episode of All Aboard, a series that aired on PBS, showcases a unique element of railroading. You get two exciting episodes on each volume, or you can buy the complete set for maximum savings! 52 minutes each. Reg: $19.95

Volume 1: The Colorado Railroad Museum, three Colorado narrow gauge railroads, and a ride on Amtrak’s California Zephyr. #RV6670

Volume 2: Florida East Coast trains, shops and yards, and steam excursion trains. #RV6671

Volume 3: A railroad history of Atlanta and privately owned passenger cars. #RV6672

Volume 4: D&RGW’s narrow gauge operations between Alamosa and Chama and memorable 1950s steam such as the Shay and the Big Boy. #RV6673

Volume 5: Norfolk Southern’s busy Georgia Division and 1960s rail action around Detroit. #RV6674

Volume 6: A 1980s look at Chicago rail action and footage of the Detroit, Toledo & Ironton. #RV6675

Volume 7: Union Pacific’s western coal trains and 1960s St. Louis area rail action. #RV6676

Volume 8: A ride aboard Amtrak’s Empire Builder and Canadian steam in the 1950s. #RV6677

Volume 9: 1950s and ’60s Pennsylvania Railroad footage and a 1980s look at rail activity around “The Steel City” – Pittsburgh. #RV6678

Volume 10: A 1960s narrow gauge passenger train run and vintage footage of the colorful Illinois Central Railroad. #RV6679

Volume 11: The railroads’ role in NASA space programs and the East Broad Top Railroad. #RV6680

Volume 12: Norfolk Southern’s restoration of N&W 2-6-6-4 #1218 and classic footage of the Santa Fe. #RV6681

Volume 13: Rock Island footage around Chicago during the 1950s, ’60s and ’70s and a bevy of restored narrow gauge steamers. #RV6682

Complete Set on 5 DVDs
All 26 episodes – a $259 value – at 85% savings. #RV6683 $39.95

The Dewitt Clinton Train Set
This HO scale replica of America’s third steam-operated train, The Dewitt Clinton, produced in 1831, includes an 0-4-0 locomotive with an engineer figure, a prototypical tender and three detailed coaches, a 47”x38” oval of E-Z Track, a power pack/speed controller, and a lifetime limited warranty. Minor assembly required...#R09380 Reg: $185 Now: $149

Making Simple Model Steam Engines
Bray. Whether you’re a beginner or an experienced engineer, this step-by-step guide will show you how to construct miniature steam engines and boilers. Best of all, you’ll learn how to bring together an engine and a boiler to build a simple steam locomotive! 192 pages, 192 B&W photographs and diagrams, 7½”x10”, hardcover..............................#R02146 $44.95

Steam-Era Figures Set
Add a few townsfolk to your layout! This HO scale, plastic set includes six hand-painted figures that will add character to any scene. Standing figures measure approximately ¾” tall.........#R10823 $9.95

“Santa Cruz” Jigsaw Puzzle
John Winfield. A classic locomotive steams through the busy Santa Cruz station in this jigsaw puzzle featuring a host of vintage automobiles and a sunny, sandy beach. 550 pieces. 24”x15”.#R77497 $11.95

“Railroad Crossing” Metal Sign
Featuring the legendary Jupiter 4-4-0 steam locomotive, which made history as one of two locomotives that met at Promontory Summit during the Golden Spike ceremony on May 10, 1869, this 12”x12” aluminum sign has smooth, rounded corners and includes mounting holes...#R77699 $21.95

Locomotive Dictionary
Fowler. In 1905, the American Railway Master Mechanics Association authorized the creation of “an illustrated dictionary of each and every part used in the building of locomotives.” A complete reproduction of the original 1906 dictionary that resulted from that authorization (and became one of the definitive engineering references for the industry), this heavily illustrated volume is a piece of history that no steam fan or model railroader should be without! 694 pages, 5,100+ B&W illustrations and photos, 8”x10”, softcover..................#R05330 $49.95

Firing the Steam Locomotive
A necessary manual for firemen working on steam locomotives, this handbook – originally drafted in 1947 by the Reading Company – provides a breakdown of employee responsibilities, including how to prepare and inspect the fire, how to fire different types of coal, and how to correct bad fire conditions. You also get a detailed description of steam locomotive mechanics. 124 pages, 45 B&W photos and illustrations, 8”x10”, softcover..................#R03735 $14.95

Steamtown Grand Opening
After a much anticipated wait, the Steamtown National Historic Site opened its doors in Scranton, Pennsylvania, over the 1995 July 4th weekend. This exciting program captures the entire event from iconic engines traveling from New York to reach the yards to the thrilling Opening Celebration including a six-locomotive steam parade!
1 hour......................................................................#RV9605 $29.95

Trains  Steam & Diesel Locomotives

Modern Locomotives Jigsaw Puzzle
Features 37 beautiful scale illustrations of electric and diesel locomotives – including a Swiss Crocodile, a Pennsy GG1, an Alco PA-1, an EMD DDA40X and a modern bullet train – from around the world as well as authentic paint schemes from many of the most famous lines. 1,000 pieces. 26½” x 19¼” when assembled. ..............................................#R67300 $19.95

Electro-Motive E-Units and F-Units
The Illustrated History of North America’s Favorite Locomotives
Solomon. Blending automotive manufacturing and styling techniques with state-of-the-art diesel and electric technologies, GMs’ Electro-Motive Division conceived and marketed America’s first commercially successful road diesels: the E-Units and F-Units. This volume is a comprehensive history of these recognizable cowl units. Beginning with the 1937 debut of the fast and powerful E-Units, you’ll see a magnificent collection of archival images, as well as learn about the impact these locomotives made on the railroad industry. 160 pages, 113 color and 31 B&W photographs and illustrations, 11” x 9½”, hardcover..........................#R10643 $44.95

Streamliners at Spencer
Celebrate the beautifully designed streamliners of the 1930s,’40s, and ’50s! Coming together for one spectacular festival at Spencer, North Carolina, from May 29 to June 1, 2014, 26 streamlined locomotives were put on display. You’ll see each engine spin on the turntable and roll out for a railfan photo parade. 2 hrs. 2 min. DVD..................................................#RV9366 $29.95 Blu-ray..................................................#RV9367 $34.95

SD40-2 Survivors
Among the most reliable and efficient locomotives ever produced, the EMD SD40-2 was introduced in January of 1972, today finding itself primarily used for local short-run operations. Captured in HD, this two-part program follows these increasingly scarce engines in the Midwest with trains from BSNF, Canadian Pacific, Union Pacific, and others! 2 hours..........................$19.95 each

Volume 1 – Minnesota and Wisconsin action including First Union and Iowa Chicago & Eastern trains..........................#402080 NEW! Volume 2 – SD40-2s found in Minnesota, Wisconsin, Illinois, Indiana, and Ohio including those run by Norfolk Southern and Illinois Central.............#402247

Alco Heaven
American Locomotive Company / MLW: Steam, Diesels and More 1901 to Now
A stunning tribute to the brawny motive power built by the American Locomotive Company and its subsidiary Montreal Locomotive Works, this nostalgic 2-DVD program examines the company’s manufacturing facilities, workers, and engines. Enjoy a smorgasbord of Alco power – from UP’s 4-6-6-4 Challenger and CP’s Century units to S-class switchers – and insider documentaries such as Hauling the World and Alco Heritage Museum. 4 hrs. 24 min.

1860 Wood Reefer Freight Car
Replicating two pre-Civil War wood reefer freight cars – the precursor to the modernized steel units of the early 20th century – these HO scale models feature a realistic textured door and era-appropriate printing.
5” long. $16.95 each
A: Hammond Co. #402345
B: White Pass #402346

Ice House and Icing Platform Kit
Back in the days before mechanical refrigeration, ice-cooled reefer cars raced across country with their perishable loads. A replica of one of the icing stations that supplied ice for the railroads, this complete HO scale, easy-to-assemble plastic kit is molded in three colors and includes a detailed ice house building and an icing platform. You get plenty of add-on details, including an optional platform roof (used in warm areas to shade the ice), roof vents and 24 clear plastic “ice blocks.” Assembled ice house building measures 4¾” tall with a 10½”x5” footprint and icing platform measures 3” tall with a 18½”x1½” footprint..............#R77646 $39.95

1860 Wooden Box Car
Perfect additions to your classic HO scale layout, these colorful models are replicas of 1860 wooden box cars featuring vintage markings, a textured side door, and an authentic underframe.
5” long..............$16.95 each
A: Western & Atlantic #402342
B: Unionline #402343
C: Maryland & Pennsylvania #402344

40’ Wood-Side Reefer
These HO scale models, reproductions of 40’ wood-side reefer cars with 19th century markings, feature a realistic side door, roof-walk and ladders, and an authentic color scheme and livery. 5½” long.
$35.95 each
A: Grand Union #401349
B: Roberts Meats #401350
C: Sonoma County Wines #401351

X Car Color Guide
Volume 5: TLCX-ZTTX
Kinkaid. This wonderfully illustrated volume features vintage color photos and fascinating narrative that examine privately owned freight cars, also called “X-cars,” that travel the North American tracks. A useful resource for railfans and modelers alike, this fifth and final volume examines the reporting marks from TLCX to ZTTX. 128 pages, 200+ color photographs, 8½”x11”, hardcover.
#402317 $59.95

50’6” Drop End Gondola
Carrying various freight loads, these HO scale models are eye-catching replicas of 50’6” drop end gondolas. In addition to their realistic load, they also feature an open-top design, authentic markings and color scheme, and a realistic underframe. 7” long.
$45.95 each
A: Conrail #401416
B: Patapsco/Back River #401417
C: Rock Island #401418
D: Pennsylvania #401419

Industry  Railroad Operations / Logging

Vintage Railway Express Agency Metal Sign
Made of aluminum with mounting holes. 12" x 12" .................................. $19.95

1942 Ford Railroad Express Truck Kit
Set up in 1917 as America entered World War I, the Railway Express Agency was a government-sponsored parcel delivery service utilizing the expansive national railway system to ensure the safe transportation of goods during wartime. This HO scale kit of a Ford truck used by the REA in the "40s features a clear windshield, realistic side and rear doors, and colorful decals. Assembly required. 2½" long ........................................ $19.95

Mail by Rail An Inside Look at the Railway Post Office
Railway Post Office cars, where first class U.S. mail was sorted by clerks, were off-limits to passengers—until now! This DVD includes a vintage RPO training film, a demonstration on RPO procedures, a parade of mail cars from the 1940s through the eve of Amtrak, rides aboard the Santa Fe Chief and Fast Mail, and more. 1 hour .................................. $29.95

USA by Rail: Plus Canada
Pitt. An essential guidebook for rail travelers, this illustrated volume features comprehensive advice on everything relating to North American train service. See 37 of the continent’s most memorable routes displayed on fully detailed maps as well as receiving insight on ticket prices, tipping etiquette, sightseeing attractions, railway museums, and service timetables. 336 pages, color photos and maps, 5½" x 8½", softcover .................................. $24.95

Express, Mail & Merchandise Service
Wilson. Dazzle your friends and fellow rail modelers with this uniquely authentic layout you construct using insight featured in this illustrated reference guide! Perfect for eras spanning from the 1900s through the 1960s, this book teaches you how to build package, express, and mail traffic including providing historical context and tips on creating terminals, baggage cars, and freight houses. 96 pages, color photos, 8¼" x 10¼", softcover .................................. $21.95

ForestRails Georgia-Pacific's Railroads
Tedder. Founded in 1927, Georgia-Pacific began as a small lumber company and expanded to a major industry player, thanks in no small measure to regional railroads. This visual timeline of the G-P examines how rail access changed the game, allowing loggers to grow and acquire more than twenty additional short lines and private operations. 128 pages, 200+ color photographs, 5½" x 8½", hardcover .................................. $79.95

1860 Log Car
The rugged early loggers of the 19th century, as rail technology advanced, relied more and more on freight cars to transport their heavy loads across the country. This HO scale model replicates an 1860 log car featuring a realistic wood load, an open-top design, and an authentic vintage paint scheme and markings. 5" long .................................. $16.95 each
A: Denver & Rio Grande Western .................................. $16.95
B: Weyerhaeuser .................................. $16.95

Western Steam Loggers
Some of the most dramatic rail action can be found on the backwoods logging tracks and related shortlines of the American west. Featuring fast-paced narration, this program travels to the region and presents viewers with a look at three 2-6-2s hard at work, a 2-8-0 Klickitat Log hauling logs to the dump pond, a standard gauge Heisler switching cars in Glendale, Oregon, and a special excursion with Sierra #28. 1 hr. 4 min. .................................. $29.95

Railroad Workers
Each set includes six plastic figures that are finely detailed and painted by hand. 
A: Engineers .................................. $15.95
B: Train Mechanics .................................. $15.95
C: Track Workers .................................. $15.95

The Anthracite Railroads in the 70s Volume 3

The backbone of many regional economies, the anthracite industry was struggling mightily by the 1970s and, by 1976, the once thriving railroads could no longer function independently and were absorbed by Conrail. This in-depth program tracks the 1970s timeline and examines the fate of ailing operations of the Lehigh Valley Railroad from Treichlers, Pennsylvania, to Lockwood, New York. 1 hr. 24 min..................... #401878 $29.95

Steel

The Story of Pittsburgh’s Iron & Steel Industry, 1852-1902

Perelman. A fascinating story of both tremendous wealth and crippling labor relations, the Gilded Age steel industry in Pittsburgh featured more than a few titans – including Andrew Carnegie and Ben Franklin Jones. This enthralling book examines how the industry’s strong-willed leaders both plotted against one another and joined forces to crush their pro-union, immigrant workforce. 192 pages, 20 B&W photos, 6”x 9”, softcover........................ #402276 $21.95

Steel From Mine to Mill, the Metal that Made America

Stoddard. Available only in small qualities until the mid-1800s, steel thereafter helped mold a young nation through its versatility, used to construct a myriad of influential structures including railroads, ships, skyscrapers, and bridges. This unique book explores the metal’s importance in America, as readers get inside the hemisphere’s largest blast furnace and read interviews with men who toiled next to blazing liquid steel. 304 pages, 122 color and B&W photos, 7½”x 9¼”, hardcover.......................... #402072 $34.95

Sailing Into History
Great Lakes Bulk Carriers of the Twentieth Century and Crews Who Sailed Them
Boles. From Duluth to New York, the Great Lakes have provided North American industry an inroad to the country’s heartland after overcoming expensive obstacles and literally bending the waterways to their needs. Track the entire 20th century progression of Great Lakes bulk carriers and learn the often tumultuous regional history that ensnared seamen, labor leaders, and government officials. 234 pages, illustrated, 6”x 9”, hardcover. #402297 $39.95

End of an Era
The Last of the Great Lakes Steamboats
Plowden. Travel the Great Lakes through the lens of photo genius David Plowden to enjoy a look at the last of the steam-powered lake freighters. Each large-sized, vivid image and evocative line of text captures the splendor aboard these steel giants – from intricate machinery and the glow of the firehold to the sprawling deck and weathered seamen. 155 pages, 111 B&W photographs, 9½”x11”, hardcover. #R01106 $49.95

Steamer of the Great Lakes
History of Steamers, Plus Longships and a Shipwreck
Playing host to vital transportation routes for both Americans and Canadians, the Great Lakes have seen their share of mesmerizing impressive ships and devastating wrecks. Six films are featured on this captivating program which examines some of the lakes’ great ore carriers, most incredible steamers, and infamous Rouse Simmons crash in Chicago over the 1912 Christmas season. 1 hr. 36 min. #402146 $19.95

Cement Boat
The End of an Era
Experience life on the Great Lakes aboard the steamer Alpena! You’ll see candid interviews from the ship’s officers, engineers, and cooks about living and working on the lakes; examine the cargo and conveyor system; and view footage of steamboats as they fire their boilers for the last time. 1 hr. 12 min. #RV9070 $19.95

Great Lakes in Depth
Lake Michigan
Explore the depths of Lake Michigan, literally and figuratively, with this informative DVD chronicling its most memorable wrecks. From the Carl D. Bradley to the Milwaukee, all of the lake’s worst disasters are explored, in addition to a look at the 1940 Armistice Day storm and southwest Michigan’s underwater preserve. 1 hr. #401224 $19.95

Deep Six
Titans of the Great Lakes
This thrilling film explores the six largest shipwrecks on North America’s Great Lakes. You’ll learn about the SS James Carruthers, which was lost on Lake Huron during the Great Lakes Storm of 1913; the William Moreland, which was torn in two off the Keweenaw Peninsula in Lake Superior; and others, including the Edmund Fitzgerald. 1 hr. #RV5912 $19.95

The Edmund Fitzgerald Investigations
Plunge into the mystery of the most famous shipwreck on the Great Lakes! From exclusive construction footage of the Fitz to interviews with every major expedition to visit the wreck site, this program introduces new footage of the investigations from the newest technology used to search the wreck and probe the icy depths to unlock the mystery of what happened to the 29 men. 1 hr. #RV5911 $19.95

End of an Era
Cutter Rescues
Break ice on the most powerful cutters on the water and meet the crews that keep the lakes safe today as you learn about the incredible “career highlights” of four Great Lakes Coast Guard cutters, from the first official icebreaker Escanaba to the brand new Mackinaw. You’ll see rare film footage of the Escanaba, Hollyhock, Sundew, and Mackinaw and also go aboard three of the four ships – and dive into the Atlantic Ocean to see the final resting place of the Hollyhock! Hear eyewitnesses to rescues from the Henry Cort, Cedarville, Dorchester, Nordmeer, and Carl D. Bradley. 1 hr. #RV5914 $19.95

U.S. Coast Guard Utility Boat Kit
One of the U.S. Coast Guard’s last major in-house design improvements, the 41” Utility Boat was developed in the late 1960s to perform duties including search and rescue, law enforcement, and nearshore patrol. A striking replica of the recognizable vessel, this 1/16 scale kit features finely cut wood pieces, 32-piece deck hardware fittings, an opening captain’s door, a well-equipped interior, and a series of realistic accessories. Assembly required. Skill level 3. 31” long. #400704 $185

World’s Fair / Circus

**Expo Magic of the White City**
Filled with thousands of archival photographs and illustrations set to live sound recordings, this DVD transports you to Chicago in 1893 to experience the immensity of the World’s Fair: Columbian Exposition. With Gene Wilder as your guide, you’ll walk the 700 acres of the Fair, party on the Midway, eat at the cafés, ride the Ferris Wheel, watch the Tower of Lights illuminating the fair at night, and more. Includes bonus “making of” featurettes, commentary tracks, deleted scenes, and more. Widescreen, Dolby Digital 5.1, 1 hr. 56 min. #RV7627 $24.95

**The Electrifying Fall of Rainbow City**
Spectacle and Assassination at the 1901 World’s Fair
Creighton. The 1901 World’s Fair opened with hopes of being a spectacularly dazzling event that set the stage for the technological age of the 20th century; it was instead beset with crippling controversy and tragedy. This engaging narrative examines the entire affair including the attempted electrocution of an elephant, a daredevil riding a barrel over Niagara Falls, and, most appalling, the assassination of President McKinley.
352 pages, B&W photos, 6½”x 9½”, hardcover. #402301 $28.95

**Images of America 1980s World’s Fairs**
The 1982 World’s Fair in Knoxville, Tennessee, and the 1984 event in New Orleans were two of the last such spectacles held in the United States, and these Images of America guides examine both in fully illustrated detail. 128 pages, 200+ B&W photos, 6½”x 9¼”, softcover. #400397 $21.95 each

**The 1984 New Orleans World’s Fair**
Cotter. Though the 1984 World’s Fair did breathe new life into the dilapidated New Orleans city center, it also went bankrupt after a $350 million investment.

**1915-1939 World Fairs Film Library**
This program presents a fascinating montage of film footage from World Fairs held during the early 20th century. You’ll view activities at the 1915 Panama-Pacific International Exposition in San Francisco, the Century of Progress 1933 Chicago World’s Fair, the 1939 New York World’s Fair, and the 1939-40 Golden Gate International Exposition in San Francisco. B&W and color, 1 hr. 30 min. #RV2254 $14.95

**Vintage Amusement Park Film Collection**
This collection includes 6 films that explore the most popular American attractions of the mid-20th century. You'll tour Freedonland in New York, visit Coney Island in its heyday, walk the streets of Manhattan and Greenwich Village during the final days of WWII, marvel at the sights and sounds of California's Santa Monica Pier, and spend a day with a Cub Scout troop at Disneyland. B&W and color, 1 hr. 44 min. #RV7501 $14.95

**1915-1939 World Fairs Film Library**
Track oval is over 8-feet long!

**G Scale Ringling Brothers and Barnum & Bailey Circus Train Set**
This colorful, G scale circus train set includes a beautifully detailed 4-6-0 steam locomotive with an operating headlight and smoke unit and speed-synchronized sound; a tender with a simulated coal load; a combine car for your circus performers; an “Elephant” stock car; and a flat car with two circus wagons that house a lion and a tiger. You also get a 98”x 51” oval of track, a power pack/speed controller, a lifetime limited warranty, an instructional DVD for easy setup, and more. Locomotive with tender measures 28” long.
Reg: $629  Now: $399

**The Ringling Brothers Kings of the Circus**
Filled with rare archival footage, this documentary shows how five poor brothers from Baraboo, Wisconsin, became “kings of the circus… when the circus was king.” You’ll learn about the Ringling Brothers Circus from its humble founding in 1884 through its leap into the ranks of railroad circuses, its acquisition of the Barnum & Bailey Circus in 1907, the demise of the great American traveling circus, and beyond. 47 minutes. #RV7623 $24.95

**Ricardo Family of Clowns Wood Sign**
Stylishly distressed to resemble a vintage advertisement, this colorful wood sign urges you to attend, for just fifty cents, the “spectacular achievement” – the Ricardo Family of Clowns show! 28”x 15” #400639 $59.95

The General
On April 12, 1862, Union scout James J. Andrews led a military raid in Northern Georgia to hijack a Confederate 4-4-0 locomotive – "The General" – and take it northward toward Chattanooga, Tennessee, damaging vital railways along the way. The South responded by sending numerous locomotives after them on an incredible 87-mile chase.

HO Scale Train Set
Take home your own "General" with this complete HO scale train set featuring a 4-4-0 with an operating headlight, a tender with a simulated load, a box car, a gondola, a combine, two office buildings, a 56"x38" oval of E-Z track, a speed controller, and an instruction manual. 24½" long.

HO Scale Locomotive Kit
This 1/25 scale kit replicates both the engine and its load-carrying tender and features a steam stack and bell, see-through cab windows, a well-equipped interior, and a display stand with rails, ties, roadbed, and a nameplate. Assembly required. 300 pieces Skill level 3. 28" long.

The Great Locomotive Chase
Fess Parker stars as James Andrews in this gripping film, a 1956 re-creation of the famous train heist that also features unforgettable performances by Jeffrey Hunter, John Lupton, Stan Jones, and Slim Pickens. 1 hr. 27 min...........

Civil War RR Story
"The General"
Learn the story behind the Union Army’s attempt to steal the Confederacy's General steam locomotive in 1862! You get five films, including The General, Parts 1 and 2, the 1927 silent film, The General, starring Buster Keaton; The General: Narration, about the making of Keaton’s film; The Great Chase Story, about how the real event unfolded; and 1911 Railroad Raiders of ‘62, a rare silent film from 1911.

Civil War Chess Set with Glass Board
Consisting of full-color resin Union and Confederate chess pieces, it includes Abraham Lincoln and Jefferson Davis as opposing kings. You even get a 17"x17" glass board! Figures measure up to 3" tall.

A Strange Engine of War
The "Winans" Steam Gun and the Civil War in Maryland
Lamb. At the outbreak of the Civil War, nervous Baltimore residents heard rumors of agitated Southern sympathizers in the city, in possession of a new lethal weapon capable of firing 300 rounds per minute: the “Winans Steam Gun.” Travel back in time to the early 1860s and learn the history of the fantastical machine and its patent disputes, test firings, and mechanical capabilities. 96 pages, illustrated. 6"x9", softcover.................................................#402300 $12.95

The North Eastern Railway in the First World War
Langham. The only railroad company to raise their own battalion of men during the Great War, the North Eastern Railway transformed their business in 1914 to help the Allies achieve victory. This gripping volume investigates the British NER and its activity in World War I – including sending locomotives to France and its conversion of factories into weapon-manufacturing plants. 208 pages, 30 B&W images, 6½"x9½", softcover.........................................................#402280 $25.95

"Grand Old Flag" Jigsaw Puzzle
A bald eagle flies over one of the most iconic images of U.S. military triumph – the Iwo Jima flag-raising – in this unique, 500-piece jigsaw puzzle. 24"x 16".....................#700494 $11.95

Dining on the B&O
Recipes and Sidelights from a Bygone Age Greco & Spence. During the heyday of American passenger railroading, B&O’s cuisine won wide acclaim as the finest railway food in the country. This book combines many of B&O’s best original recipes with historical photographs to capture the elegance and charm of the dining car experience. Start cooking the B&O way! 208 pages, 25 B&W and 16 color photos, 9”x8”, hardcover...........................................#R01724  $34.95

Chesapeake & Ohio Mail by Rail
Dixon Jr. Among the most comprehensive reference guides on railroad mail delivery, this pictorial profile examines Chesapeake & Ohio service from 1837 to 1969. Both wooden and steel units are captured in vintage photos – interior and exterior views – in addition to a peek at post offices along the routes, its principal predecessors, and express cars. 96 pages, 100+ color and B&W photos, 8½”x11”, softcover..............#402241  $24.95

Chesapeake & Ohio Through Passenger Service in Color
Doughty. After World War II, C&O’s enigmatic chairman Robert Young made it his mission to transform his company’s passenger service, in turn investing heavily in the newest (and often bizarrely exotic) industry equipment. This full-color volume looks at the ambitious experiment that, while it failed to succeed during Young’s tenure which ended in 1954, set the course for years to come. 128 pages, 200+ color photos.

Chesapeake System in Color
Withers. Operating independently from 1973-1980, the Chesapeake System controlled the C&O, B&O, and Western Maryland Railroads, covering all of their trains with the recognizable blue and yellow kitten logo. This illustrated guide examines the many colorful engines of the era and how the famous feline design was branded on everything from shirts to belt buckles. 128 pages, color photos, 8½”x11”, hardcover..........................#R11393  $59.95

Atlantic Coast Line in Color
McClellan III. This wonderfully illustrated volume features vintage color photographs and fascinating narrative that detail the famed Atlantic Coast Line Railroad, which for the first half of the 20th century served the Southeast region of the United States— with a concentration of lines in Florida. You'll view the motive power of that road’s famed purple and silver locomotives right up until its 1967 merger with the Seaboard Air Line. 128 pages, 200+ color photos, 8½”x 11”, hardcover......................#R11371 $59.95

Seaboard Coast Line in Color
McClellan III. Lavishly illustrated, this pictorial guide examines the Seaboard Coast Line which, the result of a merger between the Atlantic Coast Line and Seaboard Air Line railroads in 1967, was a leading primary passenger transport rail in the South-eastern United States prior to the creation of Amtrak in 1971. You'll marvel at color photos of a railway that once had a 54 percent market share of rail service in the southeast. 128 pages, color photos, 8½”x 11”, hardcover...........................#R77775 $59.95

Classic Railroad Series
Seaboard Air Line Railroad
These vintage films produced by the Seaboard Railroad in the 1940s show how a “modern” railroad serves its passengers and industry. You'll view runbys of first generation diesels, in both freight and passenger paint, and a few transition-era steam locomotives, too. You even get a full tour of the Silver Streak! Color and B&W, 30 minutes.............#RV9275 $29.95 Blu-ray......#RV9276 $34.95

Images of Rail
The New York Central System
Leavy. A generation has passed since a New York Central emblem dashed across the countryside on a railroad car, but few could ever forget “the greatest railroad in the world.” In this photo-history, you get to see it all again: from the amalgamation of smaller lines that became the NYC to the acquisitions of Cornelius Vanderbilt, who merged the NYC with the Hudson River Railroad, and the expansion of the NYC across eleven states and two Canadian provinces. 128 pages, 237 B&W photos, 6½”x 9¾”, softcover..............#R01417 $21.95

Baldwin 4-6-0 Steam Locomotive
The 4-6-0 steam locomotive was first seen in the mid-19th century, eventually becoming the second most popular wheel configuration in America. **Images of Rail**
**Illinois Central Railroad**

Wrecks, Derailments, and Floods
*Downey*. Though most of the Illinois Central Railroad trains – with roots dating back to 1851 – transported passengers safely to their destination, there have also been a handful of tragedies. This *Images of Rail* volume examines some of these mishaps including the 1972 commuter train collision that left 45 dead and the 1937 shutdown caused by heavy flooding from the Mississippi and Ohio Rivers. 128 pages, 208 B&W photos, 6½”x9¼”, softcover.

#402062 $21.95

**Illinois Central Through Passenger Service in Color**
*Stout*. A major carrier of passengers between Chicago and New Orleans, the Illinois Central also offered workaday service to St. Louis, Iowa, Kentucky, Tennessee, and Mississippi. This volume explores one of the nation’s premier passenger service lines and its many iconic named trains from its mid-century heyday through Amtrak. 128 pages, 200+ color photos, 8½”x11”, hardcover.

#RV1230 $29.95

**A Tribute to the Illinois Central**
The Illinois Central Railroad, which became a part of the Canadian National Railway in 1998, ran in the central U.S. from Chicago to New Orleans along with many other branch lines. Filled with footage of IC locomotive power, this program captures E9s, SD20s, SD40s, SD70s, GP38-2s, and others hauling fast freight from the bustling city of Chicago to the farm fields of the upper Midwest. 2 hours.

  - Displaying the herald of the once mighty Chicago & North Western Railway, this vintage-style, distressed steel sign measures 12"x 12" and includes a mounting hole.
  - #R77672 $21.95

- **Chicago & North Western Official Color Photography**
  - Green. The C&NW was a major railroad of the Midwest until its absorption into the Union Pacific system in 1995. Its tracks hauled commuters to and from Chicago; passengers in streamliners to all points in the West; and grain, coal and hundreds of other commodities in its freights. The company recorded its major achievements and events in full color for posterity, all of which are presented here. 128 pages, 190 color photos, 8½"x 11", hardcover.
  - #R05095 $54.95

- **Chicago and North Western Railroad**
  - Centered around C&NW's gigantic Proviso Yard, this program includes dramat-
ic scenes of the railroad's freight operations during the steam-to-diesel trans-
ition era of the 1940s. You'll see hump yard switching, freight handling, car loading, runbys of both steam and diesel-powered freights, plus a few passenger trains! 1 hr. 13 min.
  - #RV6084 Reg: $24.95 Now: $19.95

- **50' Steel Reefer**
  - Chicago & North Western markings adorn the side of this HO scale model replicating a 50' refrigerated reefer which also comes with an authentic color scheme, a realistic side door, and a roof-walk and ladders. 7" long.
  - #401327 $28.95

**Missouri Pacific**

- **Missouri Pacific Lighted Clock**
  - A replica of “Herbie” (which stands for “Help Every Railroader Become Injury Exempt”), a 40' steel ARA boxcar operated by the Missouri Pacific that promoted rail safety, this HO scale model features a finely molded body with opening doors, a roof walk, ladders and stirrup steps, and an authentic paint scheme. 5½" long.
  - #R04907 Reg: $28.95 Now: $22.95

- **Missouri River Eagle Throw Blanket**
  - Celebrate the Missouri River Eagle – a Missouri Pacific (later UP) passenger train beginning service through the “Show Me State” in 1940 – with this 100% cotton throw blanket, featuring a soaring Bald Eagle! 68"x 48".
  - #401274 $59.95

- **Western Pacific**

  - **Western Pacific Metal Sign**
    - This aluminum sign features the simple Western Pacific logo for their Feather River Route: a scenic line connecting Oakland and Salt Lake City.
    - Includes mounting holes. 12"x 9".
    - #402020 $15.95

- **The California Zephyr**
  - Stan Stokes. A pair of fly fisherman grumble quietly as a trio of “noisy” Western Pacific F7s crosses the Feather River with the California Zephyr in tow.
    - 21"x 14".
    - #R07073 Reg: $125 Now: $62.50

- **Western Pacific in Color**
  - Boyd. In this wonderful look at the Western Pacific’s motive power development from the end of the steam era up to the merger with Union Pacific, famous railfan, magazine editor and photographer Jim Boyd presents a host of exciting freight and passenger shots captured all across the WP’s vast and scenic domain, each accompanied by a detailed and informative caption. 128 pages, 225+ color photos.
    - 8½"x 11", hardcover.
    - #R05279 $59.95
Denver & Rio Grande Western Railroads

GP9 Diesel Locomotive
Equipped for both DCC & Sound, this HO scale model – a replica of a Rio Grande GP9 four-axle diesel – features a striking two-tone paint scheme, Tsunami sound (including engine, horn, and bell), slow-speed control, functional lighting, drop steps, nub-style walkway tread, wire grab irons, a fully outfitted interior, two exhaust stacks, detailed fuel tanks, and a speed recorder. 7¾” long.$289

Rio Grande Metal Sign
“Main line through the Rockies” with this laser-cut steel sign paying homage to the Denver & Rio Grande Western. Includes mounting holes. 12”x 8½”. Made in the USA.$24.95

2-6-2 Steam Locomotive with Tender
First used in the Midwestern United States, the 2-6-2 steam locomotives – initially built for the Chicago, Burlington & Quincy Railroad in 1900 – earned the nickname “Prairie.” Featuring a Rio Grande paint scheme and markings, this HO scale model is DCC-ready and includes a tender with a simulated coal load, an operating headlight, a realistic smoke unit and bell, and see-through cab windows. 8” long.$149

Rio Grande Narrow Gauge in Color
Volume 2: 1960s and Beyond
Brunner. A follow-up edition to the 2005 bestseller covering Rio Grande in the late 1940s and 1950s, volume two explores the modern fleet from the 1960s on. Hundreds of color photos fill the pages as readers are treated to a full-scope history of its incredible transformation over the last 50 years. 128 pages, 200+ color photos, 8½”x 11”, hardcover.$59.95

Rio Grande Narrow Gauge in the 1950’s
This exciting program takes you to Colorado in the 1950s for a ride on the famous narrow gauge railroads that crisscrossed the mountainous region. You’ll marvel at Rocky Mountain scenery and a variety of motive power operated by such railroads as the Santa Fe, Colorado & Southern, and Rio Grande; stop at towns including Durango and Salida; view a pair of “Cumbres Turns” that have left New Mexico for Colorado; and much more. Color, 1 hr. 22 min.$29.95

Limited Quantity!
GP9 Diesel Locomotive
Now, you can show off Rio Grande's Class K-36 2-8-2 steam locomotive #486, which was built by Baldwin in 1925 and still runs today! These ash-colored, 100% cotton t-shirts and 50% cotton/50% polyester sweatshirts feature a premium quality, silk-screened image for stunning color and durability.

ORDER TODAY

Order Today at 800-261-5922 or www.HistoricRail.com
Boston & Maine in the 19th Century — Take a fascinating journey through the history of the B&M, beginning in the 1830s with an 8-mile line that just kept growing to more than 2,324 miles of track by the end of the century. Filled with spectacular images, most previously unpublished.

Boston & Maine in the 20th Century — In the 20th century, train stations became the center of the community. B&M ultimately controlled more than 2,000 stations in northern New England, as detailed in this historical narrative. It’s a rare look at the terminals, stations, depots and whistle stops to which the B&M trains sped. 200 B&W photographs.

Boston & Maine Steam

Heavy Haulers and Crack Limiteds

Go back to the 1930s for a revealing look at the busiest divisions of the Boston & Maine! You’ll marvel at the history of mills and more. B&W, 32 minutes.

Images of Rail

Washington & Old Dominion Railroad Revisited

Guillaudeu and McCray. A second Images of Rail edition on the Washington & Old Dominion Railroad, this volume covers geographic locations in Rosslyn, Great Falls, Leesburg, and Purcellville. Enjoy insight into the railroad’s feed and grain business, railfan-type views of equipment, right-of-ways in the Regional Park, the history of mills and their influence on the local economy, and a peek under the hood of a Baldwin-Westinghouse electric freight locomotive. 128 pages, 216 B&W photos, 6½”x 9¼”, softcover.

The Rock Island

This nostalgic Rock Island video starts with vintage run-by and cab ride action from a film produced in the 1950s to promote the road’s modern rail system. You’ll view the freight and passenger operations, yard action, and get a look at both steam and diesel engines on the line. Color, 50 minutes.

Rock Island Westward Volume 3: Western Division in Freight Service 1930-1952

Lee. The third and final release in a series dedicated to Rock Island’s western division — which extended from Council Bluffs, Iowa, to Denver, Colorado — this short reference guide follows the railroad’s freight operations from 1930-1952. See RI action during the Great Depression, WWII, and the postwar era of steam with a selection of contemporary photos and informative text. 40 pages, 30 B&W images, 8½”x11”, softcover.

Silverado Passenger Train Set

This G scale set, made by Bachmann, includes a handsome 4-6-0 steam locomotive with a finely detailed body, an operating headlight and a smoke unit, speed-synchronized steam sound, a working brass bell, a detailed cab interior and colorful Virginia & Truckee markings; a tender with a realistic wood load; two detailed passenger cars with illuminated interiors; an 8½”x4¾” oval of track; a deluxe power pack; a DVD and assembly instructions; and more. Train measures 68” long. Entire set comes with a lifetime limited warranty.

Images of Rail

Nevada’s Virginia & Truckee Railroad

Drew. The most famous short line railroad in American history, Nevada’s Virginia & Truckee hauled silver and gold ore, cordwood, and mining timber during the “Big Bonanza” of the 1870s. This volume examines that line’s ornate locomotives and history, from its role in the late 1800s serving the 40,000 inhabitants in the region to its final days of operation in 1950 and preservation today. 128 pages, 200 B&W photos, 6½”x 9¼", softcover.
Structures

The buildings in this diverse collection of detailed kits – representing various houses, restaurants, shops, and businesses over the last century-plus – would bring a true sense of authenticity to your layout! Each of the structures are HO scale (unless otherwise marked) and feature a finely molded body with a vibrant colorful design, eye-catching signage and clear “glass” windows (where applicable), and a host of authentic accessories. Minimal assembly required.

**Atomic Café**
In business since World War II, the Atomic Café has been serving hungry customers breakfast, lunch, and dinner for more than seventy years! This kit features realistic “brick” siding, Coca-Cola advertisements, a black awning, and a realistic entryway.

A four-in-one trackside structure, this HO scale kit includes an auto parts store, a barber, a deli, and a pharmacy, and features a finely molded body with detailed castings, realistic brick siding, full color signs, and “glass” windows. Measures 5” tall with a 12”x6” footprint.

#400658 $69.95
Modeling  Stations / Structures

**Railroad Stations**

**The Buildings That Linked the Nation**

Naylor. Railroad stations were the centerpieces of civic and cultural life in early 20th century America. This heavily illustrated book uses rare archival photos to explore the array of styles that spanned the country – from rugged Western depots to ghost town stations in the plains, from Navajo-inspired complexes in the Southwest to grand, big-city terminals in the Northeast. You’ll view the depots themselves – many from panoramic or aerial perspectives – as well as intricate architectural details.

336 pages, 700+ B&W photographs, maps, building plans, and illustrations, 8½"x 11" , hardcover.

#R05782  Reg: $74.95  Now: $37.45

**Old Penn Station**

Low. This award-winning book is a tribute to New York’s Penn Station, the transportation facility gold standard during much of the twentieth century. Enjoy captivating illustrations of the station throughout the years including an insightful analysis of its construction and destruction, and a look at how it became such a powerful space. 40 pages, illustrated, 9½"x 12¼", hardcover.

#402290  $16.95

**Grand Central Terminal**

**100 Years of a New York Landmark**

Robins. In celebration of the Grand Central Terminal’s 100 years as one of New York’s (and the nation’s) greatest architectural monuments, this lavishly illustrated pictorial examines the station’s history and design. You’ll view over 200 detailed photos – many archival and not seen in years – of its impressive stature, from the large main concourse to the mammoth power station hidden 10 stories below. 224 pages, 150 color and 100 B&W photographs, 9¾"x 10" , hardcover...

#R03476  $39.95

**HO Scale** – Features 15 plastic building kits – including a bank, tire store, café, post office, depot, Railway Express Agency, restaurant, general store, factory, and a hotel – and more than 160 detailed cast accessories (a memorial cannon, billboard, light poles, benches, figures, and more) and 130 dry transfer decals.

#R09428  $279

**N Scale** – Features 13 plastic building kits – including a general store, pawn shop, the Dew Drop Inn bar, drugstore, bank, café, hardware store, theater, and a hotel – and more than 70 detailed cast accessories (such as a forklift, billboards, street lamps, and benches) and 60 colorful dry transfer decals.

#R95272  $159

**Sand and Water Facility Kit**

A reproduction of residential homes seen from the 1920s through today, this HO scale bungalow kit features a realistic stucco design and “Spanish tile” roof, and a front and back patio area. 3” tall with a 5”x 6” footprint. Minimal assembly required.

#R11095  $29.95

**Mission Style Bungalow Kit**

This HO scale kit – a stunningly accurate sand and water facility – features a colorful pre-painted design, a detailed water tower with ladder, a realistic office with doors and windows, and plenty of simulated sand. Minimal assembly required. 8” tall with a 4”x 10” footprint.

#R11099  $24.95

**Vintage Dairy Queen Kit**

Hot eats and cool treats – classic style! This HO scale Dairy Queen kit is a vintage replica of the restaurant’s original 1950s design and features a full-color cone logo, a fully equipped interior, a realistic roof, and a wraparound sidewalk. 3” tall with a 5”x 3½” footprint.

Minimal assembly required.

#R65302  $29.95

**Car Shed Kit**

Ensure the residents in your HO scale layout have a place to park their vehicles! This plastic kit – which features precise laser-cut parts and wooden-style pillars – replicates a four-stall shed that allows cars to be safe from the elements but also on display!

Minimal assembly required.

2½”x tall with a 3”x 8” footprint.

#400182  $24.95

Nine Mile House and Tavern Kit
Crafted based on an old St. Louis tavern located exactly nine miles from the county line, this premium kit keeps the beer flowing for its thirsty customers! It features peel and stick window and door assembly, a tin-style roof, two cast white metal chimneys, and full-color signage (including a front sign board). Minimal assembly required.

- **HO Scale** – 4½” tall with a 4”x 5” footprint $74.95
- **N Scale** – 2½” tall with a 2¼”x 3” footprint $39.95

Emilio’s Italian Restaurant
Authentic Italian cuisine: a necessary staple of any good town! A replica of Emilio’s “Ristorante Italiano,” this premium model – ready to display and available in three scales – comes with LED lights to illuminate both the upper and lower levels of this fully equipped restaurant. It also features a sturdy “brick” construction, a moveable menu board, sidewalk seating, red stained glass windows, and a roof smoke stack and skylight.

- **HO Scale** – 3½” tall with a 2¼”x 3½” footprint $84.95
- **N Scale** – 2” tall with a 1½”x 2” footprint $64.95
- **O Scale** – 6¼” tall with a 4½”x 6¼” footprint $149

Movie Theatre
*Gone With the Wind* is the feature picture at this vintage-style movie house! An eye-catching addition to your layout, this theater model is ready to display, available in three scales, and features interior lighting, an illuminated marquee, a purposefully weathered stucco-over-brick exterior design, a decorative tile façade, and a realistic box office and vestibule.

- **HO Scale** – 5” tall with a 4”x 5” footprint $94.95
- **N Scale** – 2½” tall with a 2¼”x 2¼” footprint $69.95
- **O Scale** – 9” tall with a 7¼”x 9” footprint $169

Public Library Kit
Typical of ornate American libraries built during the early 20th century, this HO scale kit – which could also be used as a city hall, police station, courthouse, or school – features a traditional pillared entryway with an elevated staircase, simulated brick and stone construction, and a wraparound sidewalk. Minimal assembly required. 4¾” tall with a 6½”x 8” footprint $49.95

Airstream Trailer Set Kit
Send your HO scale figures on a family camping trip with this exciting trailer and campground set that features two realistic Airstream campers, a camp table with stools, a campfire, a wooden Trailer Park office booth, and a fence. You also get three Fir trees and a printed sheet with camping and national park advertising signs. Minimal assembly required $36.95

Fire Station Kit
A replica of a modern fire station, this HO scale, plastic kit includes realistic brick siding and glazed windows, see-through rollup doors that can be assembled opened or closed, an attached crew building, and more. Featuring tab-and-slot construction for easy assembly, it measures 3” tall with a 12”x 6¼” footprint $69.95

New & Noteworthy

**Vintage Vehicles**

Everything from souped-up drag racers to classic ambulances are featured in this diverse assortment of 1/18 scale, die cast models – a collection perfect for those charmed by the automotive designs from the 1930s through the '60s! Each centerpiece replica features opening doors, a well-equipped interior, real-working steering, authentic badging, and treaded rubber tires.

**1934 Nitro Coupe**

Riding low and equipped with a blown-altered Hemi 426 engine, this Nitro Coupe model comes with a chopped roof, an opening rear hatch, a bomber-style driver seat, a fire extinguisher, and drag tires. 10" long.

**1948 Ford F-1 Pickup**

The F Series was Ford's first postwar truck and was the first to feature its own platform – unlike the previous releases built on a car chassis. This yellow model has an opening hood and tailgate and a removable bed cover. 10¼" long.

**1959 Cadillac Ambulance**

A premium reproduction of a high-top Cadillac ambulance from 1959, this model features rooftop sirens, a fully equipped interior (with red bench seating, a gurney, foldable rear seats, and real-working steering), and an opening rear hatch. 14" long.

**1967 Plymouth GTX Hemi Bullet**

Known affectionately as the “Gentleman's Muscle Car,” the Plymouth GTX – reproduced here as a Hemi “Bullet” with a removable hood, folding front seats, and an opening trunk – was released as the Belvedere GTX in 1967. 10½" long.

**1967 Chevy Camaro Z28**

This replica of the inaugural Z28 Camaro comes with striking red racing stripes, an opening hood (revealing a detailed 302 engine), and a serialized plate. 11" long.

**Acrylic Display Case**

A perfect way to display your new 1/18 scale model, this acrylic display case comes with a removable clear lid and a black base. 13" x 6".

Concord Stagecoach Kit
This beautiful, museum quality, 1/12 scale, wood and metal kit of a Concord Stagecoach – which transported passengers and mail between St. Louis and San Francisco during the time of the Old West before the dawn of the railroad – is incredibly detailed! Exquisite features include finely textured surfaces; a well-equipped interior with opening doors; a front brake lever; plenty of cast metal parts, including wheel hubs, axles, and door hinges; roof railing; free-rolling, steerable wooden wheels with working suspension; and a choice of authentic markings for either a Wells Fargo or Butterfield stagecoach. 13¾" long; assembly required.......................... #R86335 Reg: $269 Now: $219

Boots of Destiny
Ken Maynard stars in this 1937 Western following a deadly ranch war between the Wilsons – whom Ken (played by Maynard) has been hired to defend – and the tenacious Vascos from Mexico. Swearing that the Wilsons stole a coveted map leading to a hoard of precious gold, the Vascos must fight on unfamiliar terrain against a determined foe to recover their supposed lost treasure. B&W. 56 min.......................... #400307 $9.95

1936 Mercedes 500K Roadster
First exhibited at the 1934 Berlin Motor Show, the Mercedes 500K saw only 342 cars manufactured during its three-year production run. A shimmering gray replica of the 1936 Roadster, this 1/18 scale, die cast model features glazed headlamps, an opening butterfly hood, opening doors, a well-equipped blue interior, real-working steering, an opening trunk, a rear-mounted spare tire, and free-rolling rubber tires. 10½" long............................ #401204 $49.95

1915 Ford Model T
A replica of a red convertible Model T from 1915, this 1/18 scale, die cast model features a finely cast body, a hood that lifts to reveal a detailed engine, a well-equipped interior including black bench seating, a segmented windshield, opening doors, a running board, a Ford license plate, gold accents, a detailed undercarriage, real rubber tires, and real-working steering. 10½" long.......................... #400071 $59.95

1936 Pontiac Deluxe
This 1/18 scale, die cast model – a hunter green reproduction of a 1936 Pontiac Deluxe – features a prominent vertical-style grille, an opening butterfly hood, opening doors, a well-equipped interior (with bench seating and dashboard instrumentation), real-working steering, a large opening trunk, authentic badging, and treaded whitewall tires. 10½" long.......................... #400695 $59.95

Pontiac Metal Sign
Made of aluminum, this 12" x 9" sign is a re-creation of a classic Pontiac advertisement, featuring its vintage silhouetted red chief logo. Includes mounting holes. #402384 $18.95

1955 Chevy Bel Air Hard Top
1/18 Scale
This amazing detailed, 1/18 scale, die cast model of a 1955 Chevrolet Bel Air – a second generation model nicknamed the “Hot One” due to its crisp styling – features a fully outfitted interior with a working steering wheel and glazed windows; a hood that opens to reveal an intricate engine; opening doors; glazed headlight lenses and plenty of simulated chrome; free-rolling wheels and whitewall tires; and more. 10¾” long; includes a removable display base. #R71019 $44.95

1957 Chevrolet Corvette
Chevrolet’s muscular 1957 Corvette was as beautiful as it was fast. In addition to a laundry list of impressive options, it was the first American car to combine fuel injection with a four-speed manual transmission. A replica of a ’57 ‘Vette, this 1/24 scale, die cast model features a fully equipped interior with opening doors and a glazed windshield; a hood that lifts to reveal a detailed engine; working steering with free-rolling wheels and rubber tires; simulated chrome; and authentic badging. 8” long. #K680015 $24.95

1957 Ford Ranchero
Touted as “more than a car, more than a truck,” the Ford Ranchero was a two-door coupe utility vehicle that, while resembling a pickup, was fashioned after a station wagon. Featuring an eye-catching pink and white paint scheme, this 1/18 scale, die cast model replicates the inaugural Ranchero and includes a signature chrome grille, an opening hood and doors, real-working steering, and treads whitewall tires. 10½” long. #401433 $49.95

Chevy Nighttime Drive-In T-Shirt
Made of 100% super-soft cotton, this unique navy blue t-shirt features a series of classic Chevy vehicles screen-printed on the reverse – posed next to a Drive-In restaurant – and the company emblem on the front. Made in the USA. #400260

M, L, XL $19.95
XXL, XXXL $21.95

“Bettie’s Diner” Metal Sign
The iconic beauty, Bettie Page – the signature pin-up girl of the 1950s – serves it up “Hot and Tasty” on this 12”x 19” metal sign. Includes mounting holes. #402397 $24.95
1963 Chrysler Turbine
The first and only consumer test ever conducted of gas turbine-powered cars, the Chrysler Turbine – of which only 55 were ever manufactured – was made from 1962-1964. Orange inside and out, this 1/18 scale, die cast model of the ’63 Turbine features glazed headlightss mounted in chrome nacelles, an opening hood and doors, real-working steering, signature horizontal taillights and nozzles, and an opening trunk. 10½” long..........#401436 $54.95

1967 Ford Mustang GT
Replicating a silver ’67 Ford Mustang GT, this 1/24 scale, die cast model – a must-have for classic car collectors – features an opening hood and doors, real-working steering, plenty of simulated chrome, a “GT” license plate, and trenched rubber tires. 8”long. #402403 $24.95

Muscle Cars
Style, Power, and Performance
Glastonbury. The formula for concocting much of the mighty muscle in the ’60s and ’70s was a simple one: take an ordinary factory sedan and jam the bawdiest V8 you could fit under the hood. This compelling guide examines these legends, beginning with the GTO – the first to employ such a formula – and its successors including the Mustang, Camaro, Firebird, and Trans-Am. 448 pages, color photos, 8½”x11”, hardcover..................#402402 $24.95

Mustang, “Since 1964” Shirt
Black; screen-printed; 100% pre-shrunk cotton. #K105014

Order Today at 800-261-5922 or www.HistoricRail.com
Popular from the 1920s through the early 1940s, the three-window coupe — generally known simply as the “Three Window” — is best epitomized by Ford’s mid-30s releases, particularly loved by hot rodders. This limited edition, 1/18 scale replica of a ’32 model is painted in eye-catching green and features a removable engine bonnet/side covers and a detailed nailhead engine. 10" long.

1932 Ford Three-Window Coupe

1/18 Scale

LIMITED EDITION

1/18 Scale

Inspired by the GT40 racing cars of the 1960s, the Ford GT — originally available only in the 2005 and ’06 model years — is making its triumphant return in 2017. Replicas of the modern performance car, these 1/18 scale, die cast models feature an opening hood (revealing the EcoBoost engine), opening doors and trunk, real-working steering, and treaded rubber tires with black spoked rims. 10½" long.

2017 Ford GT

1/18 Scale

Draped in their signature Gulf blue color, this 1/18 scale, die cast model is a replica of Ken Miles and Denis Hulme’s GT40 Mk. 2 that finished second in the controversial 1966 24 Hours of Le Mans race. It features a reverse-opening front compartment (with spare tire), opening doors, an opening rear-side hood (revealing the fully plumbed V8 engine), Goodyear performance tires, and real-working steering. 10¼" long.

Automotive Kits

From the classic style of the 1930s through today’s modern trucks, this collection of 1/25 scale (unless otherwise marked) plastic kits offer a fun tribute to automotive designs over the last eighty years. Many of them offer a choice of configurations that allow for unique customization, while all of them feature an authentic body style, see-through windows, realistic tires and wheels, colorful decals, and collectible (often retro) packaging. Assembly required.

1929 Ford Model A Roadster
Comes with two complete kits, giving the builder his or her choice of construction: stock, early rod, competition rod, or street rod. 6” long.

1941 Plymouth Coupe
Choice of custom or stock versions. 5½” long.

1949 Mercury Wagon
Comes with an opening hood, separate sun visor, and rear spare cover. 8½” long.

1951 Chevy Bel Air
Choice of showroom stock model or dragstrip steamer versions. 7¼” long.

1953 Studebaker "Mr. Speed"
Choice of stock, custom, or Bonneville racer versions. 8” long.

1960 Foose Camaro Z/28
1/12 scale. Comes with a dual carb intake system front and rear spoilers, and choice of stock or “Foose” custom versions. 15½” long.

1966 Ford Galaxie
Choice of stock, custom, or drag-racing versions. 8½” long.

1969 Foose Camaro Z/28
1/12 scale. Comes with a dual carb intake system front and rear spoilers, and choice of stock or “Foose” custom versions. 15½” long.

1970 Chevy Impala Custom SS
Choice of stock, custom, or drag-racing versions. 8” long.

1961 Chevy Impala SS
Comes with a 409-cubic inch V8 engine, authentic suspension and steering, and factory wheels (with thrust mags and drag slicks option). 8” long.

1962 Chevy Corvette Gasser
Comes with a removable hardtop, rear wheelie bars, and a drag racing engine. 6¾” long.

Enamel Finishing Kit
This complete set includes everything you need to finish your new kits! It features a hobby knife, a one-fluid-ounce bottle of clear parts cement and window maker, a 5/8-fluid-ounce bottle of modeling cement, three gluing tips, five sanding films, eleven ¼-fluid-ounce bottles of flat enamel paint, a bottle of paint thinner for cleanup, three paintbrushes, and a paint tray.

Three Stooges 1925 Ford Model T Kit
A unique tribute to the doozy trio, this 1/25 scale plastic kit replicates a 1925 Ford Model T with Oily’s Garage branding, as seen during a memorable Three Stooges’ gag. It features parts to build two complete cars (including a choice of sedan, coupe, or pickup, plus a street rod configuration!), chrome-plated parts, and black vinyl tires. Also includes full-color service station cardboard display. Assembly required. 100+ pieces. Skill level 2. 5½” long. #402497 $28.95

Modern Vixen Metal Sign
Elegant pin-up girl Bettie Page, a staple of 1950s photography, is featured on this classic magazine cover commemorated on this metal sign. Referred to as the “Queen of pin-ups,” Page was renowned for her trademark jet black hair, bangs, and steely blue eyes. 12” x 18”. Includes mounting holes. #M602407 $24.95

Planes, Trains and Automobiles
A comedy classic, Planes, Trains and Automobiles features the hilarious performances of Steve Martin and John Candy, an unlikely duo making their way home over the Thanksgiving weekend. The dour Neal (Martin) unexpectedly continues to cross paths with the clueless Del (Candy) as they navigate every conceivable form of transportation from New York to Chicago. 1 hr. 33 min. #402338 $7.95

Bettie Page Reveals All
Examine Page's life story, as told by Bettie herself! Learn about her humble beginnings in an impoverished southern family, her scandalous career as a pin-up model in the 1950s and sudden 1957 retirement, her many torrid affairs, her born-again Christianity, bouts with mental illness, and return to the public eye in the early 1990s. Color and B&W. 1 hr. 41 min. #V6186 $19.95

Vintage Signs Jigsaw Puzzle
The smiling Big Boy centers this jigsaw puzzle as he runs past with his signature hamburger, surrounded by dozens of classic ad icons. 1,000 pieces. 30” x 24”. #401205 $16.95

Remember When…
Baby Boom Years
“Open up” this fun DVD time capsule and learn about the sights and sounds of yesterday! Each program in this series examines the fashions, fads, entertainment, sports, science, lifestyles, and other charming and nostalgia-inducing memories of a simpler time! 30 minutes each.

The Mystery Train
In this 1931 thriller starring Hedda Hopper and Marceline Day, a jewel heist on the Transcontinental Limited turns deadly when a group of passengers is trapped in a runaway Pullman car hurtling down a steep Rocky Mountain grade. Thrills and chills abound as a heroic figure faces against an evil foe during a climactic fight on the car’s end platform! B&W, 1 hr. 3 min. #RV2032

Twisted Rails
Jack Donovan and Alice Dahl star in this 1934 film about a railroad sabotaged by a rogue gang. When the engineer’s daughter is kidnapped by the gang, Donovan attempts to capture the gang’s leader and prevent the robbery of a $50,000 gold shipment. Shot on the AT&SF Railway, this film features plenty of great steam locomotive action! B&W, 1 hour. #RV2331 Reg: $21.95

The Broadway Limited
Set aboard the Pennsylvania Railroad’s Broadway Limited, a motion picture director wants his star actress to take a baby with her on the train as a ploy to gain publicity. Featuring Victor McLaglen and Marjorie Woodworth, the real stars of this film are the great locomotives, including a Pennsy K4 4-6-2 and a GG1. B&W, 1 hr. 15 min. #RV9067 Reg: $24.95

Fargo Express
A classic Ken Maynard Western, Fargo Express follows Ken’s attempts to rehabilitate a misguided bandit named Mort — who happens to be the brother of his one true love. Things go awry, however, when Mort is coaxed into robbing a stagecoach, leaving Ken the unenviable task of getting to the bottom of who masterminded the heist. B&W, 1 hr. 1 min. #402518

Unstoppable
Hang on for the ride of your life as a veteran railroad engineer (Denzel Washington) and inexperienced conductor (Chris Pine) team up to stop a runaway train that’s transporting toxic chemicals — and barreling toward Scranton, Pennsylvania! Thousands of lives hang in the balance as these ordinary men chase down a million tons of hurtling steel and prevent an epic disaster. Widescreen, Rated PG-13. 1 hr. 38 min. #RV3299 Reg: $21.95

Stories of the Century
Matt Clark: Railroad Detective
Journey back to the Old West with railroad detective Matt Clark (“Big” Jim Davis), who tracks down notorious true-life outlaws and bandits preying on the railroad. Each volume includes 12 episodes of the Emmy-winning, mid-1950s television series that mixed exciting detective-cowboy thrills with historic characters. B&W, 6 hours. Volume One #RV2000 Volume Two #RV2001 Volume Three #RV2002

Volume One #RV2000 Volume Two #RV2001 Volume Three #RV2002

The Hurricane Express
In this 12-chapter serial from 1932, John Wayne stars as a pilot who goes after a mystery villain — “The Wrecker” — responsible for a crash that killed Wayne’s father on the Hurricane Express, the world’s fastest train. Enjoy incredible action scenes including charging trains, aerial scenes, speeding autos, and a motorcycle chase that Wayne did himself! B&W, 3 hrs. 46 min. #V7155

The California Kid
This 1974 TV film stars Martin Sheen as a man hell-bent on avenging the death of his brother at the hands of the crooked local sheriff (Vic Morrow). Nick Nolte rounds out an impressive cast, though the classic American cars might be the real star of this action-packed thriller featuring some of the most gripping car-chase scenes ever filmed! 1 hr. 14 min. #KV00124

Funny Car Summer
Experience the adrenaline-fueled excitement of the dangerous, deadly world of high speed drag racing! This 1974 film follows the Dunn family on their annual summer trip across the country, when they’ll visit 20 states to compete in 20 funny car races. You’ll share the family’s joys and fears as they support husband and father, Jim, as he races his odd-looking car at nearly uncontrollable speeds. Rated G. 1 hr. 28 min. #KV00058

Danger on Wheels
After designing a revolutionary engine and entering it in an auto race, Pop O’Shea can only watch in anguish as its car goes up in flames. The aftermath is a whirlwind as stuntman Lucky Taylor, blamed for the wreck, must clear his name and find a way to reenter O’Shea’s now-banned engine into the race — without alerting track officials! B&W, 1 hr. 1 min. #RV7772

**MO VIES**

**Just 4 Fun**

**Classic Car Movies**

**COLE YOUNGER & THE BLACK TRAIN**
A modern rendition of a classic western story, this film—starring Michael Madsen and Cody McFarver—follows the exploits of infamous bandit Cole Younger. Witness his early experiences with the ominous Black Train, and his ultimate partnership with Jesse James, creating the most notorious outlaw band in the Old West. 1 hr. 30 min. 

**MRS. O’MALLEY AND MR. MALONE**
This 1950 comedy/murder mystery stars Marjorie Main as a radio contest winner who boards a trans-continental train to collect her prize in New York City. But the train trip is anything but usual as a game of musical corpses commencement. As an added bonus, you also get the 1952 Three Stooges comedy, *Cuckoo on a Choo Choo;* a Betty Boop cartoon; and more. B&W, 2 hrs. 30 min. 

**THE GHOST TRAIN**
Arthur Askey stars in this 1941 British film about a group of rail travelers stranded overnight in a lonely country station during a fierce storm. When a signalman tells the group the legend of a phantom train carrying ghosts from a long-ago wreck, the tension builds until the train becomes a real and frightening proposition. B&W, 1 hr. 22 min. 

**BERLIN EXPRESS**
In this 1948 thriller—a shot amid war-ravaged Germany—a diplomat is killed on a train bound for Berlin. When four travelers discover that the man killed was a decoy for the real target, the group works together trying to find the real diplomat in the streets of postwar Germany. Not all on the team are who they seem to be! Color & B&W. 2 hrs. 22 min. 

**STRANGERS ON A TRAIN / NORTH BY NORTHWEST**
This double-feature DVD set includes two of Alfred Hitchcock’s memorable films. In *Strangers on a Train,* two railway passengers meet and playfully discuss “getting rid” of someone in their lives, but one of them turns up dead. Also, Cary Grant stars in *North by Northwest,* as he must flee authorities that have misidentified him as a criminal. B&W and color. 3 hrs. 57 min. 

**THE LOVE BUG**
This 1968 blockbuster marks the first appearance of Herbie, the anthropomorphic Volkswagen Beetle driven by race-racer Jim Douglas (Dean Jones). After selling the eponymous car, the villainous Peter Thorndyke becomes Douglas’ racing rival and the two square off head to head, as Douglas attempts to keep the conscious Herbie from going rouge. 1 hr. 48 min.

**EAT MY DUST! / GRAND THEFT AUTO**
Get the popcorn ready! This Ron Howard double feature has *Eat My Dust!* (1976), with Howard stealing a ‘68 Camaro to impress a girl; and *Grand Theft Auto* (1977), with Howard and Nancy Morgan, who boost a Rolls Royce and elope to Vegas. 3 hours. 

**CONVOY**
A cult-classic Hollywood film that spawned an entire generation’s fascination with CB radios, *Convo y* follows “Rubber Duck” – a trucker played by Kris Kristofferson – as he solicits help from fellow drivers to help evade a renegade traffic cop. Memorable performances from Ali MacGraw and Ernest Borgnine round out one of the most exciting cross-country adventure stories ever! 1 hr. 46 min. 

**GRINDHOUSE PRESENTS DEATH PROOF**
This tribute to the grindhouse films of the 1960s and ’70s stars Kurt Russell as a homicidal stuntman who cruises the countryside for victims. His weapon of choice? A 1971 Chevy Nova SS 396 (later, a ‘69 Dodge Charger R/T 500). He’s met his match when he encounters the wrong group of girls led by another stunt driver. Unrated. 1 hr. 57 min.

**ORDER TODAY AT 800-261-5922 OR WWW.HISTORICRAIL.COM**
**Norfolk Southern**

A Tour of the Thoroughbred
Eight programs make up this incredible 5-DVD collection, a tribute to the Norfolk Southern! While much of the action is captured between Illinois and Ohio – including the busy Toledo-Elkhart corridor and the mainline pass through northwestern Indiana – it also includes a saunter down south to the “rathole” line through Kentucky and Tennessee.
